TOTUS TUUS - ALWAYS YOURS

TOTUS TUUS

Dear Students,

I am appreciative of your thoughtful sentiments and prayerful support. I am pleased to know that the teaching staff of your high school has chosen "Justice and Peace" as the theme for the school year.

I assure you of my prayers and cordially impart to you and all those associated with you in your message, my Apostolic Blessing.

Your brother in Christ

Joannes Paulus P.P. II

Joannes Paulus P.P. II.

" . . . Chirst is our Justice and our Peace, and all our works of justice and peace draw from this source. We must resolutely commit ourselves to the service of individuals and of people - for Christ urges us to do so - . . . scripture tells us that Lazarus found consolation, but that the rich man found torment. Was the rich man condemned because he had riches, because he abounded in earthly possessions? . . . The rich man was condemned because he did not pay attention to the other man. Because he failed to take notice of Lazarus. Nowhere does Christ condemn the mere possession of earthly goods; he pronounces very harsh words against those who use their possessions in a selfish way, without paying attention to the needs of others."

From the speech of Pope John Paul II
October 2, Yankee Stadium.

Brother Lawerence Austin Angel

"Those who instruct many unto justice shall shine as stars for all eternity."

Monsignor Nichol a long time friend of the Brothers and V.C. pronounced a eulogy upon the occasion of Brother Angel's death.

How appropriate does the above quotation from Sacred Scripture become when applied to the life of Brother Lawrence Austin Angel who, in the early morning hours of Monday, March 10th., was called by His Divine Master to his eternal home. Brother Angel spent thirty-six years as a member of the Congregation of Christian Brothers, carrying on the work begun by Brother Edmund Ignatius Rice, of instructing youth in the eternal truths. For ten years of his life as a Religious teacher, Brother Angel gave faithful and devoted service to the Vancouver College Community. In addition to being an instructor in Religious Knowledge and the eternal truths, Brother Angel was a competent teacher of English, Latin, and French. His many expupils will recall his warm personality and keen wit both as a teacher in the classroom and as a friend in the casual conversations which take place between student and teacher after classes.

Brother Angel was born in St. John's, Newfoundland fifty-nine years ago. After his initial training as a Christian Brother and a teacher. He began his first teaching assignment in 1946 at St. Louis College, Victoria. In addition to his ten years of service at the College, Brother spent seven more years instructing students in B.C. - three years in Victoria, and four years at St. Thomas More High School, Burnaby. The remaining years of his teaching career were spent in schools conducted by the Christian Brothers in Los Angeles, U.S.A., and in St. John's Newfoundland.

The Collegian staff feel certain they are expressing the sentiments of the entire College community when we offer our sincere condolences to his surviving sister and three brothers and other relatives. We also offer our sympathy to his religious family, The Christian Brothers. To us, he was an outstanding example of what it means to be a member of the Order of Christian Brothers. We are thankful to the Almighty and to the Congregation of Christian Brothers for the honour and pleasure given to us by allowing Brother Angel to share his life with us. The lives of his expupils have been enriched in a special way for they are now more certain of their own vocation in the community of christians.

The Mass of Resurrection at the funeral service was celebrated in Holy Rosary Cathedral on Thursday, March 13th. His Grace, Archbishop James F. Carnery, D.D. was the chief celebrant. Co-celebrants were His Excellency, Bishop L. Sabatini, Father D. Mulvihill, President of St. Mark's College, Father James Whelihan, chaplain to the Brothers at the College, and Father William Ashley, Assistant at Sts. Peter and Paul Parish. Rt. Rev. T.M. Nichol, pastor of Sts. Peter and Paul Parish gave the homily. In attendance at the Mass were Br. Angel's sister and a number of his nephews and nieces. All of the Brothers from the Vancouver College and St. Thomas More communities were present at the Mass as well as visiting Brothers from Toronto, Seattle, and Chicago. Others in attendance included students from both Vancouver College and St. Thomas More, a large number of his expupils, parents of the students and friends.

Brother Estrada - *Twenty-five years of service*

On November 24, the Brothers at Vancouver College observed Brother A.R. Estrada's silver jubilee. A native of Whittier, California, Brother Estrada entered the Christian Brothers at West Park, New York, on July 6, 1954. After obtaining his B.A. in Modern Languages at Iona College in New Rochelle, New York, he was first assigned to Vancouver College in 1957. He remained here for only two years for in 1959 he was posted at O'Dea High School in Seattle. After making his Final Profession in 1961 he was transferred to St. Mary's Academy where he was to remain until 1972. For the next school year he was stationed at Chaminade College School in Toronto, then he returned to V.C. for a second time in 1973. However, he remained at College just one school year for in July, 1974, he was assigned to Colegio Nuestra, Senora del Pilar in Arequipa, Peru, where he remained for the next five years. He returned to Canada in January of 1979 and was again posted at Chaminade College in Toronto for the remainder of the school year. Brother Estrada returned to Vancouver College in September of 1979.

1 - 2 During the luncheon held in his honour, Br. Estrada responded to a toast proposed by Br. Maher. 3 - 4 The cafeteria staff prepared the buffet lunch at which the whole staff had a chance to offer their congratulations.

International Year of the Child Day

October 26th. was International Year of the Child Day for the Elementary School students. Emphasis was placed on the ethnic makeup of our school community, and the fact that peaceful coexistance is feasible even in the diversity of a metropolitan gathering. The Day was marked by a talk on the U.N. guarantee of safe water for all people by 1990, presented by guest speaker Dorothy Mckinnon, past President of UNICEFF Canada.

1. The day began, appropriately, with a group prayer. 2. Polish-flag waving Chris Lopianowski discusses the price of oil with Sheik William Hamlin. 3. Some of the best-dressed member of grade 72 assemble for a group shot. 4. Jose Ramirez entertains the whole elementary school with Mexican Rancheras. 5. Mrs. Sendall pirouettes in front of the camera. 6. Br. Conti's class demonstrates its willingness to join the fun.

Principal's Message

BR. MAHER M.A.

Dear Students and Friends,

I am delighted to provide a principal's message to the Collegian. When I was first assigned to the College in 1966, I had the happy duty of working with Brother Lyons on the Collegian.

Whenever I think of Brother Lyons and those years, I find myself grateful that my first introduction to the College was through Brother Lyons. His spirit of scholarship and dedication to excellence led me to establish the award named in his memory. That spirit was something I found throughout the school as I worked on the yearbook. I found it particularly reflected in the Collegian since his guiding hand was present in a direct way.

This book attempts to reflect that spirit and has always done a creditable service in maintaining the spirit. My prayerful wish for all of you, particularly the graduates, is that his spirit will find a place within you more enduring than the pages of this book.

Sincerely yours,

" . . . the purpose of Catholic education is to communicate Christ to you, so that your attitude towards others will be that of Christ. You are approaching that stage in your life when you must take personal responsibility for your own destiny. Soon you will be making major decisions which will affect the whole course of your life. If these decisions reflect Christ's attitude, then your education will be a success.

And so I invite you today to look to Christ."

Pope John Paul II

Cooperation . . .

This year Homeroom 92 was led by president Colin Carney and John Andrews acting as the vice. Brother Basil described the class as being very pleasant. Some of the features of this homeroom were its friendly atmosphere, and, as usual, cooperation when it came to donating money to the missions, collected by Sam Becker. Organization is their secret.

This class was always ready to work and face challenges head on.

Unique . . .

1

Br. Lawlor came to us from the sun drenched islands of the Caribbean and was given homeroom class 112. It was hard to find outstanding features in this unique class when almost everyone was outstanding in one way or another. Class officials were: Haydn Ache as president and Mark Roza as vice-president. Intellectual leadership was provided by Gerald Belgardt and friendliness supplied by the "Kamloops kid" Liam Coughlan. If a word had to be used to describe this class, it would have to be pleasant.

Class 113 had nothing but "class" this year (as Br. Dawson put it). This homeroom's features included spirit, Involvement and maturity. Dino Georgas lead the class as president and Dave Green was vice-president. This homeroom was really a group of winners and only one word will do to describe its atmosphere: fantastic.

As in past years the resident students have come from many parts of the world, ranging from Belgium to Mexico, from Trinidad to Switzerland, and from Hong Kong to Spain. Thus they bring an international flavour to the College that is not found in most other schools.

Except for the fact that they live on campus, the life of a resident student is not all that different from that of a day student. Under the direction of moderators: Br. Estrada, Br. Rowland, Mr. Joe Rogers, and Mr. Peter O'Loughlin, the residents carry out their daily routine; they have morning and night prayers in the school chapel; two and half hours of supervised study a night; and of course periods of recreation. On weekends, the routine varies somewhat, and they have more time to do their own thing. This year, 1979-80, has been an enjoyable year for the resident students and everybody that is connected with them.

City Hall finally gave the go-ahead for College to build a new playing field, and so work was begun over the summer. With the incentive of tons of dirt covering the V.C. swamp pushing them on, staff and students alike worked hard at getting the minimum $1 per km pledge that Br. Basil hoped would raise $30,000 for College.

A mysterious atmosphere prevailed on Walkathon day; heavy fog shrouded the entire city. Despite the inclement weather there were no accidents, and something above $26,000 was realized in the end.

V.C.-L.F.A. Grammar School Musical

"Jack and the Beanstalk"

Over the past few years the V.C.L.F.A. Grammar School Musical has become an integral part of the past-Christmas festivities. This year was definitely no exception as the boys and girls put together an extremely entertaining show based on the well known fairy tale "Jack and the Beanstalk" as narrated by Mother Goose. The show ran two nights with the Friday night show being sold out completely. As usual, some mention must be made of the fine effort provided by Mrs. June Koch, musical director, Mrs. Carol Coulson, choreographer, Mr. Jim Lattimer, technical director, Br. E. Conti, producer, Mrs. Sendal, and all the many others who helped out with make-up and the set.

1. The Weirds (Angela Torresan, Stephen Danielson, and Chris McGoran) display their vociferous approval as Von Blizzard the wizard (Noel Hickey) and Squint his assistant (Troy Tunstall) scheme together. 2. Mother Goose (Brigid McGoran) explains the situation to Gertrude Goose (Christine Oddy). 3. The dramatic, Coppelia Cow (Charmaine Fong) and Jack (Anthony Small) kick up a storm. 4. FIFTH ORATORICAL CONTEST

The Fifth Oratorical Contest in the Grammar School was as usual a big success. Under the competent M.C.-manship of Mr. MacCormack the whole evening went very smoothly. This year there was one group each in Grades 1, 2 and 3, and 3 Groups (A, B, and C) each in all grades of 4, 5, 6, and 7. There were 30 volunteer parent judges for the group session, while Sister Helen of L.F.A., and Monsignor Nichol judged the finals.

LEADERSHIP CONFERENCES 1980

The Vancouver College Christian Leadership Conference is an annual event presented by the graduates and students of V.C. and L.F.A. Invitations to the Conference are sent to 30 B.C. schools, both public and private. Usually 100 to 120 students participate in the two day affair.

The purpose of the Conference is to provide a meeting place for high school students, a place where they can get together to share their ideas, to learn the techniques of group discussion, and to learn the Christian idea of leadership.

This year's conference was held on April 25 and 26, and was a great success in every way.

1. Bernie Schneider imparts his words of wisdom at the Grade Ten Leadership Conference. 2. The Tug O'War was one of the highlights of the Conference. 3. Judge MacKinnon was the guest speaker, and delivered an interesting speech on (what else?) leadership. 4. Paul Toporowski is fascinated as two participants play "Pass the Life Saver on the tooth pick." 5. We can imagine what Tim Pember is telling Brother Nolan, but you'd better ask Rob MacKinnon what he's doing. 6. Chris McNeil helps to point out the focal point of his group "masterpiece."

The Voice is Vancouver College's Student newspaper. It's purpose was to provide interesting, funny, factual and controversial articles covering all aspects of school life.

The dedication of the staff this year was remarkable, especially reporters: Liam Coughlan, Mike Stack, Jim Genac, Justin Wyatt, Hernando Cortez, Paul Gatto and Paul Clarke, providing interesting and exciting articles. The two typists, Clarence Hui and Ken Kavanagh worked long hours, and Hernnando Cortez provided a different cover each issue, and finally Mr. Lattimer supervised the entire operation. Perhaps the most outstanding feature of the staff was their teamwork and fidelity to the paper.

1. Clarence insists his byline be in 60 pt. BOLD type.

Third Row: Steve Lyons, Spiro Poulos, Marcus Wagner, Kevin Clarke, Garry Norman, Tyler Lorenz, Michael Guzman, Paul Toporowski. Fourth Row: Mike Green, Brian Lynch, John Lane, John Andrews.

This year's Student Council, under the leadership of President A.J. Long and Vice President - Rob MacKinnon have tried to instill a sense of school spirit in all activities undertaken this year. This conscientious group, through the sale of football tickets, organization of buses to basketball games, dances, and the all important pep rallies have put the College on a sure path to success. Though at times support was lacking, this group did not tire in its contributions and efforts for the betterment of the College.

Hockey, the traditional winter sport, is, of course, included.

In a time of international crisis and disaster it was only appropriate that the V.C. - L.F.A. Musical Society should decide to present the musical "Good News." With its lively pace, attractive music, and constant slapstick humor, "Good News" couldn't fail to cheer up even the most morose audience.

The plot can easily be summarized. The college football hero Tom Marlowe, played by Garry Norman, is threatened with suspension from the championship game unless he passes his upcoming astronomy exam. With the able assistance of Dolly Lakowski as Connie Lane he manages to get through the test. In the process he falls in love with her, thus frustrating his former girl Patrica Bingham, played by Suzi McKinnon. The squabbles that result are endless. At the same time there ensues another difficult case of emotional entanglement involving Kathleen Gilligan as Babe, Ray Tarnai as Bobby, and Colin Carney as Beef. Other major parts were played by Mike Stack as the football coach, and John Gordon as the trainer.

The cast began practicing in ernest following the Christmas break. Many hours were put in by Mr. Kazun as Musical Director, by Grace Macdonal as Director and Choreographer, and by Br. Fury as Producer.

The five performances were really superb, demonstrating the perseverance and dedication of all involved.

Needless to say, the technical aspects of this fine production were extremely competently handled. Sets, lighting, sound, costumes, props, and an original program all added to enjoyment of the mulititudes who attended the musical.

1. Kicking their legs gracefully, the girls run through one of their dance routines during a Saturday practice. 2. Grace Macdonald explains some of the finer points of acting to Gerhard Unger and Sam Vounik. 3. Mr. Kazun really gets into the music as he waves his baton to the beat. 4. Mrs. Davis and Adrian Wijesinghe paint the set in preparation for opening night.

4

1. Tom Marlowe studies heavenly bodies with the only celestial light in his life, Connie Lane. 2. The entire chorus tests Vandersande's Third Law of Aerodynamics. 3. Ray Tarnai consults Mr. Kazun about his Chem mark after scoring. 4. Sweet strains of music float from the delectable vocal chords of Dolly, Suzi, and Heather. 5. Bobby Randall informs Babe he's "not that kind of guy!" 6. Dolly Lakowski does the Varsity Drag. 7. Hernando holds an instant elixir to "Happy Days." 8. Milton's Paradise Regained - Adam, eat your heart out.

The spirit of the 1980 Collegian staff began to take form in August of '79 when Mike Kaweski, Br. Raymond and Pat O'Loughlin repainted the Collegion room, set out their plan of attack for the ad campaign, and organized the format for this year's book.

Kaleidescopic

This year's grade I students found attending school a new experience. Going to school each day and learning how to cope with new people. This kaleidescopic class was always colorful and bright; the boys made the year complete with their imaginative art work and cheerful smiles. All 21, active boys were questioners and willing to learn through out the year.

Eager to learn

Mrs. Cheesman describes her class as pleasant and open: 25 delightful and happy boys eager to learn. The class as a whole was outstanding and pleasant to teach; when the boys weren't hard at play they were hard at work, striving to learn the many new things taught them. The main highlight of grade 2 was that every student was outstanding in his own way.

This years Grade 8 team must be ranked among the best football teams to appear at Vancouver College, coming through with an undefeated season. The offensive unit would constantly gain large amounts of yardage during a game because of the dedication in practise. The defensive unit was the best in the league because of its ability to curtail its opponents score to 1 touchdown or less per game. The defense also received most of the credit for defeating Notre Dame by a score of 12-0. After another great year, the young players prove once again that they are on a fabulous start to their acting football career at V.C.

V.C.'s small but determined cross-country team had a very up and down season. They faired well in the C.Y.A. meet, winning it over very stiff competition. However, the B.C. Championships held a different fate: when Pat Clarke suffered an ankle injury the team was no longer able to compete as one, but rather, each runner had to compete individually, as a result, no points were totalled towards a team award. Despite the adverse conditions of the day, and the consequences of the injury, several runners put in good performances.

This year's wrestling team had a very good season. Paul Gipps, the team captain, led the group with his excellent moves, and Herculian strength. College placed well at most tournaments. A number of talented wrestlers were involved, but due to a lack of experience, not everyone made it to the B.C.H.S. Provincial Championships. However, four team members did; Martin Emslander, Paul Gipps, Rick Wagner, and David Gray. Congratulations to them and to Mr. Anderson for a superb coaching job.

1. Greco-Roman has never looked better. 2. Marcus Wagner uses his head when it comes to new techniques. 3. Paul Gipps stands triumphantly after winning his way to the B.C.H.S. The Varsity Soccer team won home and away games against St. Thomas More. The team led by Paul Catchpole, Paul Lucas, and Joe Sothy went on to lose a hard fought game 1-0 in a provincial playoff qualifying game against Kitsilano.

The Irish displayed superior defensive skills but were unable to operate their counter attack offense on a rain drenched pitch. Chris MacNiell's outstanding effort in goal kept the Irish in the game until the dying minutes of the contest.

With players like Gary Mordecai, Chris MacNiell, and Peter Erceg returning; can a Provincial Championship be far off.

1. Paul Catchpol shows that he's always in good form.

Front Row: Tom Toughton, Troy Lucas, Kevin Reilly, Sean Murphy, Mike Ewanchuk, Michael Boreham (coach). *Second Row:* Paul Dalla-Lana, Chris Brown, J.P. MacNeil, Chris Walters, Jamie Loriane, Frank Keelback, Mike Collins.

The Juvenile Soccer team is indeed our hope for the future. Led by Kevin Reilly this team finished the season undefeated (10-0-1). A strong defense allowed only 4 goals all season, but a stronger attacking offense netted 49 goals.

Troy Lucas and Brad King provided the scoring while Reilly and Chris Walters did the fetch and carry work. The defense was handled by Tom Troughton, Mike Collins, and Frank Keilback, while goalkeeping chores were shared by Paul Dalla-Lana and Matt Karpes.

Many of the players will go on to the Varsity team next year.

1. It's the new game called "Figure me out". Can you? 2. Chris Walters flies high for the ball.

Elementary Soccer - *Advance to playoffs*

Front Row: Sean Fairley, John Dyer, Gerald Shaffer, Paul Bauchman. *Second Row:* Greg Palmer, Harvey Hill, David Graham, Luc O'Loughlin, David Maxwell, Adrian Schwartz, Pat Guzman. Coaches: Leo Schwartz, Mr. Gray.

This year Elementary soccer team showed developed skills on the field, and combined with their spirit and determination, they proved themselves worthy of advancing to the playoffs. Greg Palmer, Harvey Hill and Pat Guzman led to team while Adrian Schwartz defended our goal. Mr. Grag's experience in soccer and his ability to coach was a great asset to everyone.

1. Rack up another point for College. 2. Blimey, this is my chance to be a star, ponders Luc O'Loughlin.

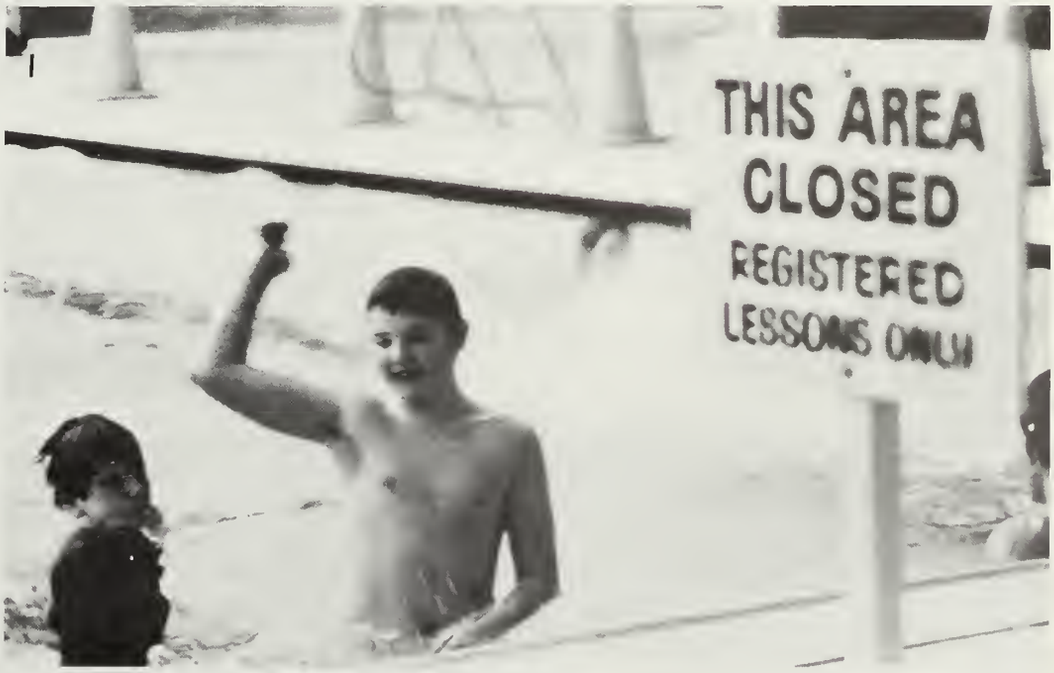
Front: Colin Thompson, Lote Gallagher, Tony Donalson, Colin Osborne, John Mulhern. Second: Luke O'Loughlin, Chris MacGoran, Ross Pickard, Steven Rowley, Declan Lawlord, Patrick Mikhall. Third: Mark Feeny, Mr. Macormack.

The fact that the team was one of the smallest anywhere did not stop these swimmers from thinking big. Finishing seventh in the solitary tournament, the team was led on by Chris MacGoran and Carl Johannson. These fine results should be attributed to the spirit of the kids and the coaching of Mr. MacCormack and assistant Mark Feeney.



1. Blimey, Mate! Who needs lessons when you can have fun like this.

Senior Varsity - *Agility and sportsmanship.*

Left to Right: Gary Oleskiw (Coach), Steve Lyons (Manager), Dan Hagemon, Joe Doyle, Peter Sartin, Tom Topperowski, Paul Topperowski, Mark Hartman, Maury Farenholtz, Eric Koban, Alex Lobozar, Al Hemming, Stew Bailey, Sean Doughty, Chris Willis (Manager), Br. Dawson (Coach).

The beginning of a new decade did not prove too rewarding for the Fighting Irish Varsity basketball team. During the season we won a total of some eleven games. In two of the tournaments we entered, the Nanaimo Tourney and the Emerald Tourney, we placed 4th and 5th place respectively. The Varsity had a 3-2 standing in the Independant League but were bumped out of the Lower Mainland playoffs after an unfortunate loss to McNair.

The team was lead by captain Paul Topperowski, followed by Eric Koban, and Sean Doughty. Many strong performances were given by Stew Bailey, Mark Hartman and Al Hemming. Much of the credit for the season should be given to Brother Dawson for his superb coaching and to managers Steve Lyons and Chris Wills.

1. It's just another game of volleyball for Al Hemming. 2. Mark Hartman's determination to get 2 more points shows on his face. 3. Tom Topperowski looks on in awe as his brother Paul fights for the ball. 4. Sean Doughty's ease in shooting is what makes him one of the best. 5. And I thought girls were hard to get hold of!

This year's J.V. team started out extremely well with victories in the D.W. Poppy Tourney, the Junior Emerald Tourney, the Terrace Invitational and a 20-3 win-loss record. But then tragedy struck! Ron Adair, his eyes injured in a practise, was out for the season. The team took a turn for the worse and without their captain, they fell to a 22-12 standing at the end of the season.

1. Tom Zavadil's great height proved to be a tremendous asset to the team. 2. Dave Kilian flies high above the opponent. 3. Mario Montessori fights to gain control of the ball. 4. Ron Adair's agressive style and sure shooting earned him a team high 28 point per game average. 5. It's lucky these fellows use Right Guard.

Grade 7 - *The team of the future*

Front: Mr. Giacammoza, Ivan Tsang, David Maxwell, Sean Johnson, Paul Bachman, Andrew Macfarlane. Second: Fulvio Tedesco, Pat Guzman, Ross Pickard, Brian Langley, Ryan Mawhinney.

The Grade Seven basketball team finished their season with a record of 24 wins and 1 defeat, the latter due to a default. The team proved that they were the best in the Lower Mainland and probably one of the better two teams in B.C. The team was lead by their captain and M.V.P. Patrick Guzman. Matthew Bingham supplied the team with excellent ball handling, while Ross Pichard consistently grabbed rebounds for the team. This is a team to watch in the future!

1. Paul Bachman's excellent dribbling form helps him outrun the opponent. 2. Pat Guzman shows why he's the most valuable player of the team.

Grade 9's - *have an even season*

Front: Bernard Raverty, Mike Ewanchuck, Sean Koban, Mike Sweeney, Lester Chow. *Second:* Mr. Sponza (Coach), John Andrews, John Rivera, Tony Medic, Tony Lyndsay, Erwin David. *Missing:* Mike Antoniazzi.

Even though most of the members on the team were considerably shorter than other teams, the Grade 9's proved they could handle the ball by coming through the year with a 10-13 win-loss record. John Rivera and Sean Koban led the team through numerous games and two tournaments along with strong support from Lester Chow and Andy Cheung.

1. Lester Chow doesn't believe in using conventional passing methods. 2. Marc MacMullen feeds the ball to the open John Rivera.

The calendar for this year's track team was quite busy. Early after Christmas fitness was started, monitored by Head Coach Rob Hallam and maintained throughout the year. Once the season started, the team participated in numerous small meets and other special events including a trip to the U.S. during Easter break. College placed 1st and 2nd in two of the most important meets of the year, the Vancouver Relays and the Hillside meet, due to the supreme effort put in by such members as Paul Toporowski, who occasionally competed in as many as five events. Other outstanding performers were: Kevin Ridley, Stewart Bailey, Mark Cadhina, Dan Hagemoen, Marcel Matte, and Paul Richards.

1. Anthony Hardeen's face expresses his determination in the 1500 meter race. 2. Most people take a bath after a race, but Kevin Ridley is always one to improvise and takes it during. 3. This year's tennis team can only be described as sensational. Both senior and junior teams came out of the regular season undefeated and then proceeded on to the playoffs. With such players as Tony Macken and John Borschert, who are rated 4th in B.C. and 3rd in Canada respectively for their age groups, it's no wonder that the College-L.F.A. joint team did so well.

Making the semifinals of the B.C. Pepsi Tournament is enough proof that this team is one of the best. Acclaimed by many coaches as next year's champions, the team is comprimised mainly of juniors, giving us the age advantage for a few more years to come. Mr. Anderson organized all practices and competitions. For these competitions and practices, College joined forces with Crofton House to compete as a team.

"There is no comradeship except through union in the same high effort. Even in our age of material well-being this must be so, else how should we explain the happiness we feel in sharing our last crust with others in the desert?"

FAMILY DAY

The fourth annual Family Day, which took place September 30, 1979 was blessed with fair weather and a numerous turnout of energetic students, families, and friends of the school. A mass celebrated by Monseigneur Nichol gave everyone a warm feeling while the pot luck supper afterwards gave everyone a warm stomach. Organized again by enthusiastic Br. Dawson, Family Day ran smoothly.

1. Br. Maher greeted the families and gave a short talk on the importance of family unity. 2. Monseigneur Nichol, patriarch of our College family was again the main celebrant at mass. 3. There must be an easier way . . . go around. 4. Monseigneur Nichol enjoys a meal during the Family Day dinner. 5. It's a tough life being a wheelbarrow!

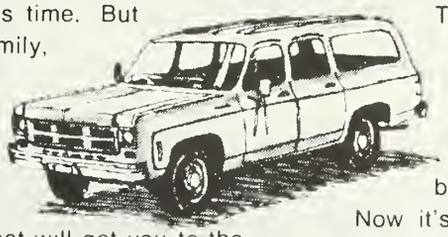
BUSINESS OR PLEASURE TRAVEL

You've considered the car. Pacific GMC invites you to consider the alternatives.



The car was all right in its time. But for you and your active family, that time is past. You're entering the space age. You need more space for people, more space for cargo. You also need the kind of guts engineering that will get you to the exciting places you're going. And back.

That's why it's time you considered one of the New Alternatives from Pacific GMC. Plan to spend some time with us: it's not going to be an easy choice. Because no one vehicle can suit all the people all the time, General Motors makes a tremendous selection of body styles and sizes. We can show you Pickups, Vanduras, Suburbans and Rally Wagons — to say nothing of the factory options.

The list is so long, you can practically design your own dream machine.

So take a test-trip this week with one of the specialists at Pacific GMC. We've been showing British Columbians better ways to go for more than twenty years. Now it's your turn.

Just call me . . .

Senior Librarians

Our full time librarians Mrs. Naas and Mrs. Lynch are assisted by many ladies who volunteer their time and effort to encourage a first class library.

1. Mrs. Macken tries to find the proper place to put the returned books. 2. Mrs. Lynch smiles with pleasure at all the new library books she is about to receive. 3. Mrs. Newton wonders who could have left this five month overdue book. 4. Busy as usual, Mrs. Naas keeps the library in tip-top condition. 5. Mrs. Thrift browses through the paperback selection for a spot for these best-sellers.
